Good Afternoon Bladimir,

Please read below for the following locations concerns. Could you reach out to CD14 them to add it to the priority list?

Thank you

Hi,
Please ask Blad if he will add this to the CD14 CARE+ schedule as soon as possible. Many fires have been started at this location and we desperately need outreach.
Thanks

Hello,

I would like to request a CARE+ clean-up at [1482 Mateo Street, Los Angeles, CA 90021](#) under the fwy. This area experiences numerous fires and the sidewalks are not passable. There are fences built and pallet structures.
This area also experiences fires regularly. Attached are photos. Can you please notify me when a clean up is scheduled?

Thank you,
Edna
